Hi Everyone!

It's time to gear up for the 24th Annual Convention of the Pennsylvania Academy of Audiology. We are happy to announce we have secured The DoubleTree Resort by Hilton in Lancaster, PA on October 4th - 6th 2017. Historically, Lancaster has proven to be well attended by our membership. Couple the popular location with the speaker line up, add in our efforts to increase attendance, and the 24th annual PAA Convention should be one for the books!

We know this event is not possible without YOU; can we ask for your continued support for the 2017 PAA Meeting? Take a look at the brochure; this year's convention promises to be jam-packed and full of current applicable information for the audiologist. We anticipate an increased opportunity for more attendee/vendor interaction during the regular sessions where you and your customer can discuss your latest products and industry updates!

Arrive ready to socialize on Wednesday, October 4th at 5:30 PM for the Welcome Reception and Silent Auction kick off. This is a fun, relaxed event specifically designed for exhibitor and attendee interaction! Thursday and Friday offer many opportunities to meet with your customers, and don't forget the very popular "Speed Dating" each day!

See you at the Hilton DoubleTree, Lancaster, PA October 4-6, 2017

Yours in Audiology,

The Pennsylvania Academy of Audiology Board

Silent Auction

The Pennsylvania Academy of Audiology is hosting its 24th Annual Silent Auction. The proceeds from the PAA Silent Auction event help support the goals of PAA, more specifically, All Audiologists in Pennsylvania.

Items can be donated for the auction OR a monetary contribution can be made to allow us to procure items for The Auction. Donated items can be related to the field of audiology (supplies, books, or pre-payment for next year's conference), or unrelated to audiology (gift certificates, things that can be assembled into a gift basket, sports memorabilia, items with a Pennsylvania theme, etc). **Donated items are tax deductible.**

The Goals of the Pennsylvania Academy of Audiology

- To improve and promote the evaluation and professional services provided to all people with hearing impairment.
- To improve and promote public and consumer awareness of hearing disorders, their prevention, and their solutions.
- To advocate the rights and protection of all consumers who seek audiological services and hearing health care products to improve their hearing.
- To provide leadership for upgrading professional standards by offering quality continuing education and by advocating the profession of audiology to regulatory and legislative bodies.
- To advocate that audiologists are the primary providers of hearing health care.

To support the Goals of the Academy, consider a donation to the Silent Auction!

Please return the donation form by September 1st, 2017.

Thank you,
Kathleen Conley, Au.D.
