Silent Auction

The Pennsylvania Academy of Audiology is hosting its 24th Annual Silent Auction. The proceeds from the PAA Silent Auction event help support the goals of PAA, more specifically, All Audiologists in Pennsylvania.

Items can be donated for the auction OR a monetary contribution can be made to allow us to procure items for The Auction. Donated items can be related to the field of audiology (supplies, books, or pre-payment for next year's conference), or unrelated to audiology (gift certificates, things that can be assembled into a gift basket, sports memorabilia, items with a Pennsylvania theme, etc). **Donated items are tax deductible.**

The Goals of the Pennsylvania Academy of Audiology

- To improve and promote the evaluation and professional services provided to all people with hearing impairment.
- To improve and promote public and consumer awareness of hearing disorders, their prevention, and their solutions.
- To advocate the rights and protection of all consumers who seek audiological services and hearing health care products to improve their hearing.
- To provide leadership for upgrading professional standards by offering quality continuing education and by advocating the profession of audiology to regulatory and legislative bodies.
- To advocate that audiologists are the primary providers of hearing health care.

To support the Goals of the Academy, consider a donation to the Silent Auction!

Please return the donation form by September 1st, 2017.

Thank you,
Kathleen Conley, Au.D.
